### NOTES FOR AGREEMENT FOR THE TRANSFER OF COPYRIGHT

#### A. COPYRIGHT

1. The Author assigns to Pluto Journals, during the full term of copyright and any extensions or renewals, the rights to publish, reproduce, distribute, display and store the Article worldwide in all forms, formats and media now known or as developed in the future, including print, electronic and digital forms, to translate the Article into other languages, create adaptations, summaries or extracts of the Article or other derivative works based on the Article, and to sub-license all such rights to others. For the avoidance of doubt electronic and digital forms shall include, but not be limited to databases, CD-ROM and in forms accessible via electronic and digital networks and wireless transmission and communication systems.
2. Reproduction, posting, transmission or other distribution or use of the final Article in whole or in part in any medium (but not on a commercial or systematic basis) by the Author as permitted by this Agreement requires a citation to the Journal and an appropriate credit to Pluto Journals as Publisher, and/or the Society if applicable, suitable in form and content as follows: (Title of Article, Author, Journal Title and Volume/Issue, Copyright © [year], copyright owner as specified in the Journal). Links to the final article on Pluto Journals' website are encouraged where appropriate.

#### B. RETAINED RIGHTS

Notwithstanding the above, the Author retains the right to be identified as the Author of an article whenever and wherever the Article is published, patent rights, trademark rights, or rights to any process, product or procedure described in an article.

#### C. PERMITTED USES BY AUTHOR

1. Submitted Version. Pluto Journals licenses back the following rights to the Author in the version of the Article as originally submitted for publication ('preprint'):
  - a. The right to post such a 'preprint' on the Author's own website, or institution's intranet, or within the Institutional Repository of his/her institution or company of employment, but only with the following acknowledgement: This is the pre-peer reviewed version of the following article: FULL CITE, which has been published in final form at [Link to final article].
  - b. The right to transmit print and share copies with colleagues (but not on a commercial or systematic basis).
2. Accepted Version ('postprint'). The Author has the right to post the Article in the form accepted for publication in a Pluto Journals journal following the process of peer review (but not the final publisher-created PDF, HTML or XML version) after an embargo period of 6 months as an electronic file on an Author's own website for personal or professional use, or on an Author's internal university, college, or corporate network or intranet, or within an Institutional or Subject Repository, but not for commercial sale or for any systematic external distribution by a third party (for example a listserv or database connected to a public access server) provided that you include the following acknowledgement: This is an electronic version of the following article: FULL CITE, published at [Link to final article].

3. Final Published Version (e-offprint). Pluto Journals hereby licenses back to the Author the following rights with respect to the final published version of the Article:

- a. Copies for colleagues. The right to share with colleagues (but not on a commercial or systematic basis) copies in any format of an article in its published form as supplied by Pluto Journals as an electronic offprint.
- b. Re-use in other publications. The right to reuse the Article in its published form in whole or in part without revision or modification for any publication authored or edited by the Author (excluding journal articles) where such reused material constitutes less than half of the total material in such publication and provided that acknowledgement to prior publication in the relevant journal published by Pluto Journal is made explicit. The Author has the right to expand an article into book-length form for publication, provided that the acknowledgement to Pluto Journals is made explicit.
- c. Teaching duties. The right to make copies of the Article to use by the Author for lecture or classroom purposes and to facilitate the distribution of the Article if the Article has been produced within the scope of an Author's employment. Electronic posting of the final published version in connection with teaching/training at the Author's institution/place of employment is permitted subject to the implementation of reasonable access control mechanisms, such as user name and password. Posting the final published version on the open Internet is not permitted.
- d. Oral presentations. The right to present an article at a meeting or conference and to distribute printed copies of the Article to those attending the meeting (but not for commercial purposes).

## D. COPYRIGHT NOTICE

The Author and the company/employer agree that any and all copies of the final published version of the Article or any part thereof distributed or posted by them in print or electronic format as permitted herein will include the notice of copyright as stipulated in the Journal and a full citation to the Journal as published by Pluto Journals.

## E. AUTHOR'S REPRESENTATIONS

The Author represents that the Article is the Author's original work, all individuals identified as Authors actually contributed to the Article, and all individuals who contributed are included. If the Article was prepared jointly, the Author agrees to inform the co-Authors of the terms of this Agreement and to obtain their signature to this Agreement or their written permission to sign on their behalf. The Article is submitted only to this Journal and has not been published before. (If excerpts from copyrighted works owned by third parties are included, the Author must obtain written permission from the copyright owners for all uses and show credit to the sources in the Article.) The Author also warrants that the Article contains no libellous or unlawful statements, does not infringe upon the rights (including without limitation the copyright, patent or trademark rights) or the privacy of others, or contain material or instructions that might cause harm or injury.
